31<sup>st</sup> March 2020

Dear "**Beaconsfield Community**"

I wanted to write to you all to just say 'HELLO' and to let you know that I am thinking about you all at this time. I do hope you are keeping happy and healthy and helping out your families whilst you are at home.

At the moment I do not know when the school will re-open but I will let you know and your parents know as soon as we are able to. It must be an uncertain and strange time for you all at the moment. It must be hard having to stay inside so much especially as we are getting more sunshine and warmer days. All the usual events, trips, visits and sports activities we would be having in school are currently '**on-hold**'. This has made me sad at this time, but remember this virus will pass if we all follow the rules and hopefully we will be back in school again soon.

I am sure our **Year 6 pupils** will have mixed feelings about the SAT's tests being cancelled this year. Everyone in school is already proud of your efforts and improvements, the hard work you have put in and the extra efforts at boosters and tuition sessions. This hard work will help you when you move to high school. Keep working, keep studying and stay positive!!!

For our amazing **Reception and Nursery pupils**, you must be wondering, at the beginning of your time in school, why we have closed and why you can't be here within your friends and teachers. Do not worry! We will get back to normal and you will enjoy many more years in our great school.

For all children in other classes it must be feeling strange to be learning at home. I know many of you have been busy doing work and keeping in touch with your teachers through "**My USO**". Please do as much work as you can – **BUT** don't feel you need to rush through everything. Remember also that reading is always the most important part of your learning.

## BEACONSFIELD PRIMARY SCHOOL

Beaconsfield Road, Southall UB1 1DR

Email: [admin@beaconsfield.ealing.sch.uk](mailto:admin@beaconsfield.ealing.sch.uk)

Website: [www.beaconsfieldprimary.org.uk](http://www.beaconsfieldprimary.org.uk)

Tel: 020 8574 3506 Head Teacher: Mr D. Woods

I do know that it is harder for some of you to access a computer often at home, especially if you have sisters and brothers to share with. Not all of your work is online. Try to keep active, be creative, write stories, letters and journals and practice your maths skills including learning your times tables.

Even though we are not together in school at the moments you are still part of the **Beaconsfield Community**. Keep following our vales, listen to and help your parents (they get worried too!) and keep learning.

Our school ethos is “**BELIEF**”, “**PERSEVERANCE**” and “**SUCCESS**”. This is a tough time for us all but if you continue to believe in yourself as you work and study whilst we persevere through the virus you will all still achieve great success in the future.

I look forward to again seeing my school full of happy, smiling, children eager to learn and do well. When this is all over there will be many stories to share, friends to catch up with and school events to enjoy.

I remain proud of you all and also of the great staff that we have in school. Keep Safe, Stay Home, Protect the NHS and together we will all get to the end of the virus.

Best of Wishes,

**Mr Dave Woods**  
**Head Teacher**
