The table shows the number of pupils in your school who were eligible for Key Stage 1, the number achieving each level and the percentage who achieved Level 2 or above; Level 2B or above; and Level 3 or above. The table also shows the average point score.

*National Averages for Level 2+, 2B+ and 3+ are provisional 2015 national averages sourced from KeyPAS, all other national averages shown are from 2014 (as full KS1 national data will not be published by the DfE until 24 September 2015.) Below 70%

**Speaking and Listening and science do not report level 2A, 2B and 2C - they only report level 2. These are shown in the 2B column for the purposes of this table.
