

Sham Chohan
Parent Governor

I am a local resident, having attended Durdans Park First and Middle schools, and then Villiers High School. I studied Mathematical Sciences at University, graduating in 1994.

I have worked as a Civil Servant for over 20 years, in various government departments and locations.

Since my daughter started attending the school, I decided to take an active role in her and the other pupil's academic achievement. I see the role of the governors to support the school in providing a good quality education for all pupils and help raise pupils' standards of achievement.
